

# MEET. PLAY. SAVE.

*This place  
looks great for  
team building!*

*I'm bringing  
the family  
and staying  
a few extra  
days.*

*I'm  
game!*

We're ready to help your organization discover the very best sites and venues for meetings and sporting events in our terrific part of New England. With unequalled access, outstanding event facilities and a hospitality industry second to none, we're the choice that just makes good sense. With attractions like the Basketball and Volleyball Halls of Fame, Six Flags New England, the Springfield Museums and Yankee Candle Village, there's plenty of fun before and after the competition. Western Massachusetts: giving you real-world, bottom-line value.
